

WHO IS DRIVING YOUR CAREER?

Course Content

Who's driving your career? Is it your boss, your company or yourself? Your career is too important to be taken for granted. This course will offer a fresh approach to development and careers - an approach emphasizing growth, immediate contribution and employability.

This course will equip individuals with the insights and tools they need to effectively manage and develop their own career. At the completion of this course, participants will be able to:

- ◆ Know themselves better
- ◆ Know their environment and understand the organization's expectations
- ◆ Take responsibility for their own development
- ◆ Map their career values and interests
- ◆ Prepare their next best career
- ◆ Develop and execute their career plans

Who Should Attend This Course?

Anyone who wants to grow their career and improve their employability.

Course Instructor:

Felice Yeong is a director and principal consultant of ImpacTrainers, a consulting and training company with a key focus in Career management and transition; Job search techniques; Customer service and behavioural learning techniques and HR consulting. Prior to her consulting and training profession, Felice was a Regional Human Resource Manager responsible for the full spectrum of human resource functions, people development and management.
